

Here's how you do it!

Visit www.asteroidandy.com/kids4kids to learn more about the program, view a video, and download a birthday party invitation.

What the kids do- 4 important things:

1. Plan a fun birthday party! Remember to mention Kids 4 Kids in the invitation, let your guest know how they're helping and who they're helping!
2. At the party, open your cards, thank your friends, but don't open the presents! The presents are on their way to the United Way!
3. Talk about where the presents are going, think about how much those presents are going to mean to kids who don't have what you have.
4. Think about what you've learned and how you can share it with other kids just like you. Think about the difference it will make when every kid you talk to talks to another kid, and on and on!

What the parents do- 4 important things:

1. Help your kid plan the party, remember the invitation helps direct presents to the United Way*.
2. Send your guests home with thank you notes that remind them where the gifts are heading and how much good they'll do.
3. Drop the gifts off any of the following places:
Headquarters & KC Office: 1080 Washington KC, MO 64105 (816)472-4289
Eastern Jackson & Cass County Office: 4727 Logan Ave. KC, MO 64136 (816)472-4289
Johnson County Office: 12351 W. 96TH Terrace, Suite 201 Lenexa, KS 66215 (816)472-4289
Northland Office: 3100 NE 83RD St. Suite 2250 KC, MO 64119 (816)472-4289
4. Talk to your child about how much they helped another child, and reinforce that great message by visiting a UW agency, or watching a video from an agency. Your child will be providing smiles, inspiration, and most importantly, hope in a situation where it's greatly needed. By doing that, he or she will be learning empathy, humility, and gratitude in a very real way.

* United Way wish list:

board games, gift cards from Walmart/Target/etc, hair care supplies, movie passes, arts and crafts supplies, personal hygiene items, portable cd players, Age appropriate DVDs, clothing, electronic games, jewelry, purses, watches, eau de toilette/cologne, sports equipment, bikes, skateboards.
