

work space

this is where the magic happens.

business model

**all businesses are beautiful just
the way they are.**

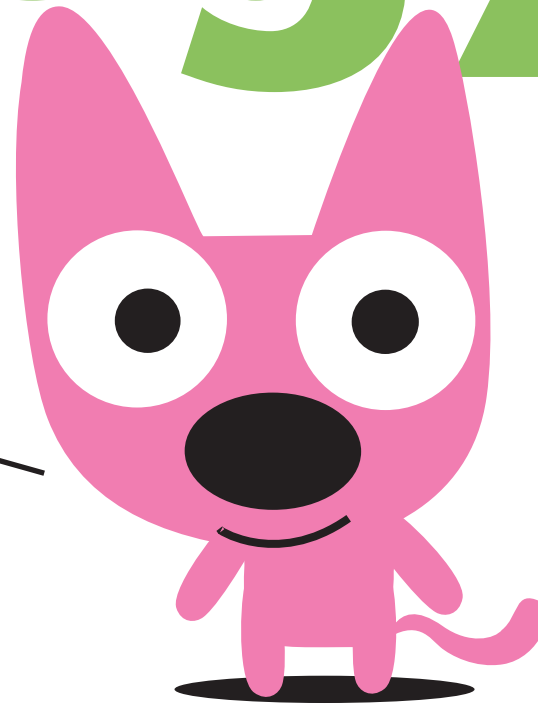

absolutely.

marketing strategy

oxy...

...moron

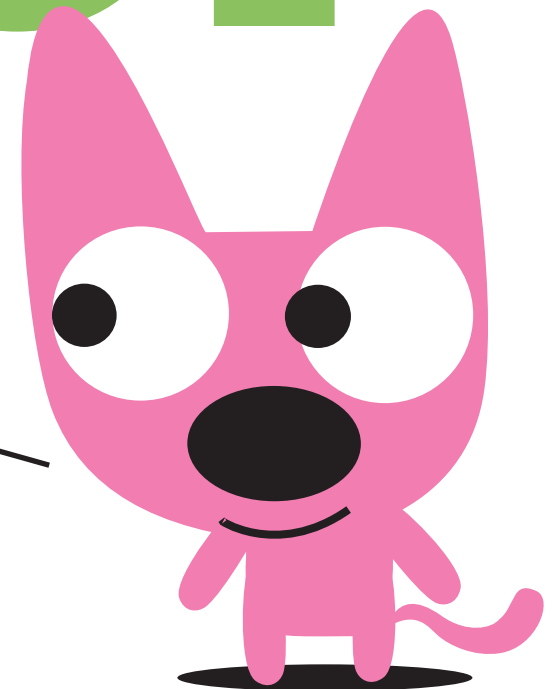

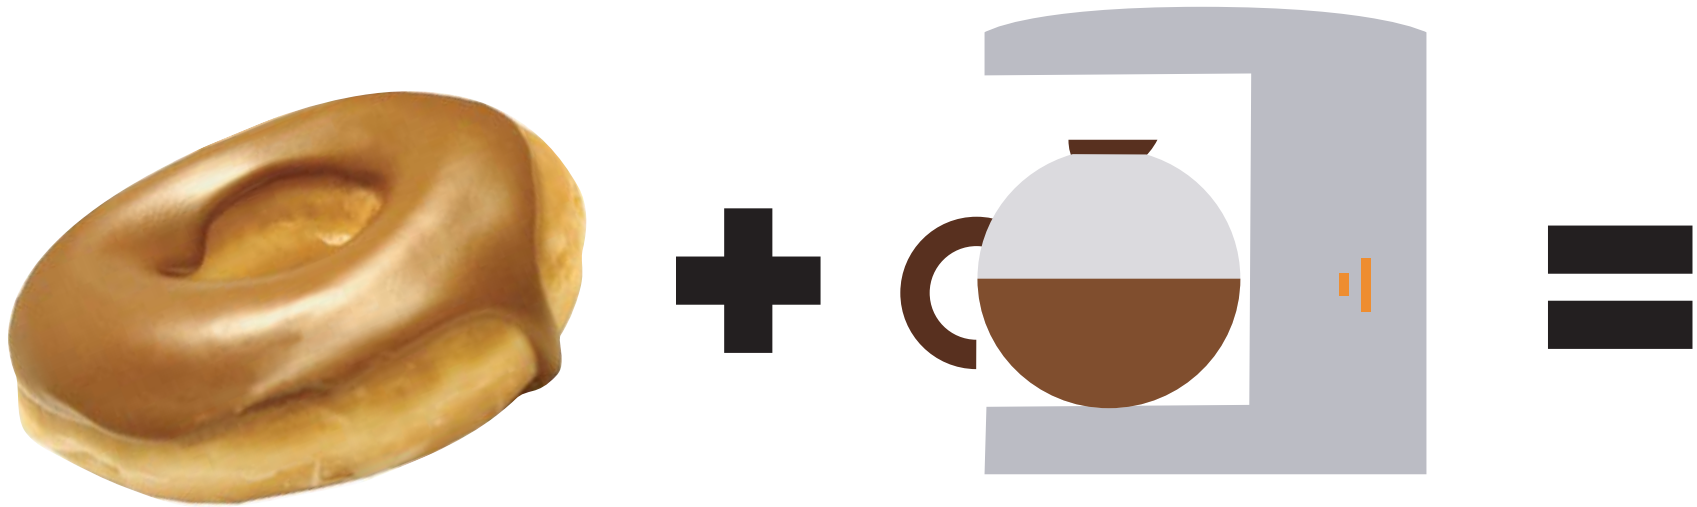

creative brief

rarely creative

never brief

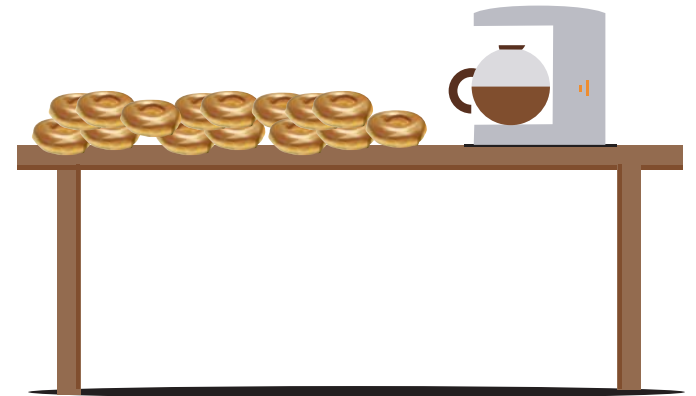

synergy

growth environment

no kidding. i put on five pounds last month.

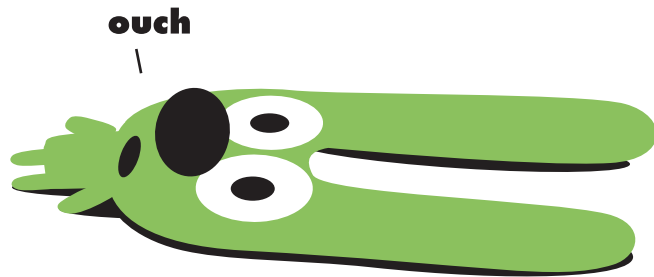

deadline oriented

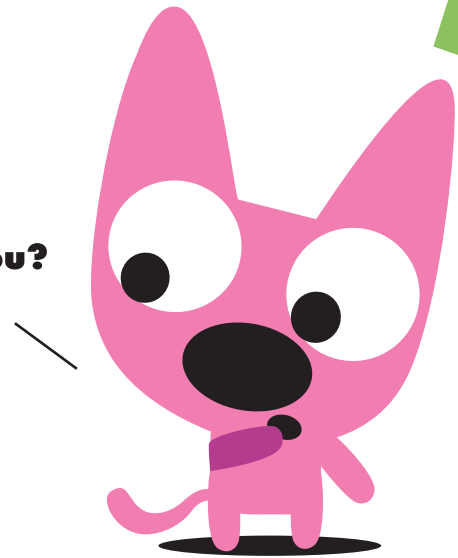

they want it when!? are they insane!?

team building

what? was i suppose to catch you?

corporate

~~V~~aculture

that's more accurate.

competitive salary

**you see, they stay competitive by
keeping our salaries so low.**

emotional intelligence

do you think the people that
make this stuff up even know
what it means?
