

MERRY MERRY CHRISTMAS

HOOPS & YOYO

Puff Envelope Gift Box

print it, cut it, glue it and stuff it full o' goodies

Instructions

"This project requires scissors. Adult supervision recommended."

1. Print out box.
2. Cut out box.
3. Score box along dotted lines.
4. Test fold the box. Fold along the center line first, then fit the ends to make sure they close properly. The ends should fold inward to make a channel. (see diagram).
5. Apply adhesive to the tab.
6. Complete box by folding and inserting glued tab to the inside of the box.
